# FLORIANA

EMBROIDERED LINENS

Brighten and beautify your home with an abundance of botanical wonder from our delectable Floriana collection.

With Mother Nature as our muse, we present this range of exquisitely embroidered solid and sheer fabrics that embody the bountiful bliss of an English country garden.

Grasses, flowers and delicate co-ordinating leaves are rendered in a palette of floral hues; from blossom pinks and rose reds, to sunflower yellows and periwinkle blues.

# SENORITA

FLAMBOYANT FOILS, WEAVES & EMBROIDERIES

Flamboyant and fabulous, Senorita II lends an extravagant air of glamour and joy to any interior setting.

Stand-out pieces are lustrous printed velvets dusted with glimmering foil finishes, luxurious satin bases adorned with exquisitely realised embroideries, and delicate sheers embellished with shimmering matte sequins.

The rich palette of burnished metallics and jewellery box tones, illuminates this stately collection of heirloom quality fabrics.

CONTEMPORARY METALLIC PRINTS

# Cleopatra III

CONTEMPORARY METALLIC PRINTS

The lustrous metallic finishes of our third Cleopatra collection will elevate your home to be fit for an Egyptian queen.

Intricately patterned jacquards and modern abstract prints adorn sumptuous velvet and textured bases that bridge the gap between classic and contemporary.

The colours are intense yet sophisticated: inky blues and decadent jades with lashings of gold, silver and bronze for full-on, next-level glamour.

WIDE-WIDTH SHEERS

# Lacee Wide

WIDE-WIDTH SHEERS

Easy, breezy and beautiful, we give you Lacee II, an effortless collection of wide-width sheer fabrics for the home.

Natural fibres in neutral tones are blended and woven with a sublime lightness touch resulting in an array of delicate sheers that will filter the light giving you home a celestial air.

Subtle and contemporary stripes join plain textured weaves in a collection that is both prettily practical and effortlessly chic.

INNOVATIVE FUNCTIONALITY FABRICS

# Dimout Textures II

INNOVATIVE FUNCTIONALITY FABRICS

Nothing is more important to health and well-being than a good night's sleep, and nothing disturbs sleep more than unwanted light. Our latest collection of dim-out weaves give near total blackout from outside light ensuring you can luxuriate in a pure and peaceful slumber.

Elegant jacquard patterns and textures are realised in a delightful and versatile colour palette, delivering a functional and efficient collection of fabrics without compromising on style.
